

## *Featured Clinicians of the Month*

**Dr. Gluck LCPC, Ed. D**

Dr. Gluck is the owner DG Counseling, Inc., serving three community locations. She began her professional career in the medical field and progressed to become a licensed therapist with an Ed.D. Through her experiences of personal loss and trauma, Dr. Gluck can relate to her clients on many levels. With her stellar reputation and a large client base, she has created a thriving practice.

She currently oversees a staff of nine therapists, three interns, and the office staff. Dr. Gluck is an accomplished and multi-faceted therapist, author, researcher, presenter, professor, and group facilitator.

**Dr. John Blattner PHD**

Dr. John is a licensed clinical Psychologist. With over thirty-five years of experience. He is the President and CEO at PAS International Inc., has served in numerous leadership roles for the Illinois Psychological Association, including President, profound author, and television commentator. His areas of expertise include communication skills, delegation, conflict resolution, effective supervision, stress management, and goal setting.

Along with his good friend and colleague Dr. Gluck Ed.D, they have created the Community of Wellness.
